DETAILED ACTION

Allowable Subject Matter

1. ***Claims 1, and 3-19 are allowed.***

The following is an examiner's statement of reasons for allowance:

2. The closes reference of art is the **Publication titled "Targets and Backgrounds VI: Characterization, Visualization, and the Detection Process" by Watkins et al. ("Watkins")**. After Careful consideration of the declaration 37 CFR 1.63 submitted by the applicant dated September 26th, 2006 and further reviewing the prior art it was concluded that the prior art reference does not teach the use of pre-attentive vision. Hence the 102 rejection has been withdrawn.
3. The 103 rejections were combined with the Watkins publication and hence those rejections are also withdrawn.
4. Applicants amendment dated 3/28/2007 amended the dependent claim 3 to further clarify the invention, the amendment has been considered and claims 1 and 3-19 are still allowable.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sanjay Cattungal whose telephone number is (571)272-1306. The examiner can normally be reached on 9:30 - 5:00 pm.
